Dear Mr. Patel:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your facility on 09/24/2026. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for an Adult Foster Care large group home.

The violations that were found are:

R 400.631 Health screenings.

(2) A licensee shall have on file a statement signed by a licensed physician or physician's designee attesting to the physical health of the licensee, staff, and members of the household. Statements for the licensee and administrator must be signed no more than 6 months before the issuance of a temporary license and at any other time requested by the department. Statements for staff and members of the household must be obtained within 30 days of employment start date, assumption of duties, or occupancy in the facility.

During the interim inspection I reviewed the employee file for direct care staff, Toni Reid. There was no documentation of a statement signed by a licensed physician

attesting to the health of Ms. Reid in this file. There was not an annual health review in Ms. Reid's file.

R 400.657

Bedrooms.

(4) Interior doorways of a resident bedroom must be equipped with a side-hinged, permanently mounted door that is equipped with positive-latching, non-locking-against-egress hardware.

At the time of the on-site inspection bedroom #16 and #18 were not equipped with positive-latching, non-locking against egress hardware on the bedroom doors.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services. Please advise this licensing consultant when all citations have been corrected to proceed with a regular renewal inspection.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 335-5985.

Sincerely,
