III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

MCL 400.734b **Employing or contracting with certain individuals providing direct services to residents; prohibitions; criminal history check; exemptions; written consent and identification; conditional employment; use of criminal history record information; disclosure; determination of existence of national criminal history; failure to conduct criminal history check; automated fingerprint identification system database; electronic web-based system; costs; definitions.**

(2) Except as otherwise provided in this subsection or subsection (6), an adult foster care facility shall not employ or independently contract with an individual who has direct access to residents until the adult foster care facility or staffing agency has conducted a criminal history check in compliance with this section or has received criminal history record information in compliance with subsections (3) and (11). This subsection and subsection (1) do not apply to an individual who is employed by or under contract to an adult foster care facility before April 1, 2006. On or before April 1, 2011, an individual who is exempt under this subsection and who has not been the subject of a criminal history check conducted in compliance with this section shall provide the department of state police a set of fingerprints and the department of state police shall input those fingerprints into the automated fingerprint identification system database established under subsection (14). An individual who is exempt under this subsection is not limited to working within the adult foster care facility with which he or she is employed by or under independent contract with on April 1, 2006 but may transfer to another adult foster care facility, mental health facility, or covered health facility. If an individual who is exempt under this subsection is subsequently convicted of a crime or offense described under subsection (1)(a) to (g) or found to be the subject of a substantiated finding described under subsection (1)(i) or an order or disposition described under subsection (1)(h), or is found to have been convicted of a relevant crime described under 42 USC 1320a-7(a), he or she is no longer exempt and shall be terminated from employment or denied employment.

The facility employees several individuals including Sarah Burgess, Loretta Loomis, Fantasia Corbett, Kalia Greenhoe,

and Kristina Hill who are not listed in the Workforce Background Check System as required.

R 400.631 **Health screenings.**

(2) A licensee shall have on file a statement signed by a licensed physician or physician's designee attesting to the physical health of the licensee, staff, and members of the household. Statements for the licensee and administrator must be signed no more than 6 months before the issuance of a temporary license and at any other time requested by the department. Statements for staff and members of the household must be obtained within 30 days of employment start date, assumption of duties, or occupancy in the facility.

The facility did not have statements signed by a licensed physician attesting to the physical health of AFC staff members Kristina Hill and Carmen Mitchell.

While onsite, I conducted an exit conference with AFC administrator, Kalia Greenhoe. She was informed of the findings and agreed to complete a CAP within 15 days of receipt of this report.

IV. RECOMMENDATION
