On-site inspections conducted in response to the application may be conducted without prior notice to the applicant. On-site inspections conducted for renewing a license may be conducted within 12 months before the expiration date of the current license without impact on the license renewal date or the license fee. Subject to subsections (9), (10), and (11), the department shall issue or renew a license if satisfied as to all of the following:
(b) The applicant's compliance with this act and rules promulgated under this act.

There have been no residents in care during the temporary license period.

On 7/27/26, I contacted Mr. Bizimana to discuss the status of the license. Consultation about no residents in care and provisional licensure was provided.

On 9/1/26, Mr. Bizimana confirmed that no residents have been in care during this licensing period.

A corrective action plan was requested and approved on 09/09/2026. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan.
