III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility

The structure is a modified one-story duplex with no basement. It has 4 bedrooms, each with 195 sq. ft. of space. The licensee has stipulated that the front bedroom on each side will only house one person. Living space is available in two living rooms and a center activity room, with a combined area of 604 sq. ft.

B. Program Description

The Lighthouse mission is to provide purpose, privacy, and dignity for all persons in a home-like atmosphere. These persons will include the aged, developmentally disabled, mentally ill, physically handicapped and traumatic brain injured.

The therapeutic program is designed to maximize each client's functioning ability as well as assist clients in gaining insight, enhancing self-esteem, developing coping skills, and improving relationships. The setting in which the program is implemented promotes independence, self-respect, and positive peer relationships in a supportive, caring environment.
