## **III. DESCRIPTION OF FINDINGS & CONCLUSIONS**

### **A. Physical Description of Facility**

The ranch style stick framed home is located in a residential neighborhood in Grandville. The home has a three-stall garage whereby there is an entrance on the main floor of the home. The main floor consists of a kitchen, a combined living and dining room, one and ½ bathrooms, two bedrooms and an apartment. The lower level has a walk out to the back yard, an enclosed furnace room, a recreation room, an office, a full bath and three bedrooms. The home has been well maintained and is well decorated and carpeted throughout.

### **B. Program Description**

The non-profit corporation of Spectrum Community Services owns the home and will provide the management. Barbara Fowkes has been appointed to be the Licensee Designee. The agency has hired Krynn Hitts as a live in administrator. Ms. Hitts has been selected to be the designated person to be on site or immediately available with the authority to carry out the licensee's responsibilities in the absence of the licensee designee.

The Licensee has developed house rules for the residents who will reside in the home.

The agency plans to provide individualized treatment and training for adult females with developmental disabilities, who require a 24 hour supervised living environment. Their program focuses on recreating normal life patterns including, school, work, social and recreation so that each individual can achieve their maximum potential while living as independently as possible with the goal to provide as normal as possible living situation as well.

The home will celebrate individual birthdays and holidays. They will have many outings into the community including going to movies and bowling, Friendship club and church activities if desired.

### **C. Rule/Statutory Violations**

There were no violations found at the time of the inspection.
