ADDENDUM TO ORIGINAL LICENSING STUDY REPORT**

I. IDENTIFYING INFORMATION

License #:	AS610015816
Licensee Name:	Lutheran Social Services of Michigan Inc
Licensee Address:	8131 E Jefferson Detroit, MI 48214-2691
Licensee Telephone #:	(313) 823-7700
Administrator/Licensee Designee:	Laura Pollaccia-Scanlan, Designee
Name of Facility:	McIntyre Home
Facility Address:	2760 Mararebach Muskegon, MI 49442
Facility Telephone #:	(231) 777-5767
Capacity:	3
Program Type:	DEVELOPMENTALLY DISABLED

II. Purpose of Addendum

The licensee requested that the capacity for the home be increased from the existing three, to four beds.

III. Methodology

An on-site inspection of the facility took place on 10-13-04. This inspection included measurements being taken of each of the three bedrooms. These measurements were taken with the assistance of the manager of the program.

IV. Description of Findings and Conclusions

It was determined through this inspection that this facility does not have adequate floor space to accommodate more than one resident per bedroom. All three bedrooms were measured and were found to provide 118 square feet (bedroom #1), 123 square feet (bedroom #2) and 124 square feet (bedroom #3). All three of these bedrooms therefore fall significantly short of the minimum square footage required in R400.14409(3) which specifies that a multi-occupancy bedroom shall have not less than 65 square feet of usable floor space per bed.

V. Recommendation

It is recommended that the licensee's request for an increase in capacity be denied.
