Dear Mr. Vander Loon:

## **II. Purpose of Addendum**

The purpose of this Addendum to Special Investigation Report 2006A0868028 is to forward an amended recommendation from provisional license to contested provisional license.

## **III. Methodology**

On May 16, 2006, Kent Vander Loon, Administrator and Licensee Designee, submitted an initial corrective action plan prior to the mailing of Special Investigation Report 2006A0868028.

On May 26, 2006, an exit conference was conducted with Kent Vander Loon.

On June 1, 2006, Kent Vander Loon submitted a finalized correction action plan after reviewing Special Investigation Report 2006A0868028. Kent Vander Loon indicated, in this letter, his disagreement with the recommendation for a provisional license.

## **IV. Description of Findings and Conclusions**

Kent Vander Loon submitted a comprehensive corrective action plan on May 16, 2006. This plan indicated steps that were being taken to prevent another repeated violation of R 400.15312. This plan indicated a willingness to continue with Departmental enhanced supervision and disinterest in accepting a recommendation to issue a provisional license.

An exit conference was conducted with Kent Vander Loon on May 26, 2006. Kent Vander Loon did not refute the findings reviewed in Special Investigation Report 32006A0868028. Kent Vander Loon was advised that the proposed corrective actions as outlined in his corrective action plan dated May 16, 2006, were acceptable to the Department. Kent Vander Loon said he thought Departmental enhanced supervision would be sufficient and expressed disagreement with a recommendation to issue a provisional license.

Kent Vander Loon submitted a finalized corrective action plan on June 1, 2006. Kent Vander Loon inferred that he did not disagree with the findings contained in Special Investigation Report 2006A0868028, but indicated that he disagreed with the recommendation to issue a provisional license. Kent Vander Loon indicated, "I would be agreeable to the current standing of enhanced supervision."

Kent Vander Loon was advised in writing on June 7, 2006, that this Department has accepted his corrective actions as presented and has acknowledged his objection to the recommendation to issue a provisional license. Kent Vander Loon was further notified in the same letter that the Department is not changing its recommendation to

issue a provisional license.

**V. Recommendation**

It is recommended that a referral be forwarded to the Investigation and Disciplinary Action Unit to begin the process for a contested provisional license.
