A. Physical Description of Facility

The Ataberry Manor home is located west of Clio Rd. and south of Wilson Rd. at 10340 Ataberry. The house is a four bedroom colonial with an addition on the south end which includes 3 additional bedrooms, a full bath and a large family room.

The house has a basement that contains both the furnace and water heater. Interconnected smoke detectors are located throughout the house and fire extinguishers are placed on each floor.

The bedrooms in the house are as follows:

<u>Location</u>	<u>Dimensions</u>	<u>Square footage</u>	<u>Capacity</u>
SE	18' X 11	198 sq. ft.	2
SW	14.5' X 10.5'	152 sq. ft.	2
NW	14.1' X 10.2'	144 sq. ft.	2
Total Capacity = 6 residents			

It is noted that only the south end of the house is currently approved for resident use. The four bedrooms on the second floor will not be used by the future residents of the home.

The activity areas in the house are as follows:

<u>Location</u>	<u>Dimensions</u>	<u>Square footage</u>

The home has more than the required 35 sq. ft. per occupant.

B. Qualifications

Ms. Smith has 3 years experience as live-in staff, direct care staff and home manager at other area small group homes. Initially it is her plan to live-in the home at 10340 Ataberry and assume both the licensee/administrator and direct care roles in the home.

Ms. Smith is a graduate of Clio High School in 1973. She states that she is competent in all of the areas required in Rule 201. She is current in both First Aid (8-4-2004) and CPR (7-25-06). She had a physical on 11-7-2006 and her most recent TB test was on 4-26-2006.

Ms. Smith as submitted a credit report (11-15-2006) and has the financial capability to handle an adult foster care small group home. A Record Clearance was completed on Ms. Smith on 9-7-2006.

C. Program Description

The Ataberry Manor proposes to serve adults who are at least 20 years old. They may be mentally ill, developmentally disabled or aged.

Future residents may need extra care and their ability to remain in the home depends on the ability of the home to meet those needs. Special dietary needs or reminders on activities of daily living can be accommodated.

Standard services within the home will include:

1. Quality Care with attention to religious preferences.
2. Reminders of appointments and transportation to medical appointments.
3. Following health care plans and distributing medications.
4. A family-type atmosphere with birthdays and holidays celebrated.
5. In home activities and cook-outs.

IV. RECOMMENDATION

I recommend issuance of a temporary license to this AFC adult small group home (capacity 1-6).
