II. Purpose of Addendum

On 06/06/2011, the licensee Cynthia Bushnell requested that the capacity of this family home be increased from three (3) to six (6) resident beds. Ms. Bushnell stated that five family members have recently moved from the facility and the total number of occupants is now seven.

III. Methodology

On 06/06/2011, I conducted an on-site inspection with Ms. Bushnell. Ms. Bushnell provided the names of the six occupants of the home. Resident bedrooms and living space were inspected.

IV. Description of Findings and Conclusions

Bedroom #	Room Dimensions	Total Square Footage	Total Resident Beds
