## **IV. Description of Findings and Conclusions**

The first additional bedroom measured 12' x 14 'or 168 square feet for 1 resident. The second additional bedroom measured a total of 24' x 24' or 288 square feet for 2 residents. The additional ½ bathroom is off of the second bedroom. The new full bathroom has a tub with a side door for easy access. One of the existing bedrooms will now be utilized for 1 resident.

## **V. Recommendation**

I recommend that the licensee utilize the two additional bedrooms as proposed as well as the new full and half bath rooms.
