## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

### A. Physical Description of Facility

The Safe Haven AFC home is a ranch style structure located in a quiet wooded setting in northern Kankaska County. This facility is currently licensed as Sonshine AFC home and has recently been purchased by the current applicant. As a result, a new license is being issued. This facility has an attached live-in staff section which has a second level for staff member bedrooms. All resident areas are on the main, first, level of the facility. The facility consists of six resident bedrooms that can accommodate two residents each, one large open living space, a dining room, kitchen, and three full bathrooms. This home is not wheelchair accessible.

The furnace and hot water heater are located in the basement with a 1-3/4 inch solid core door equipped with an automatic self-closing device and positive latching hardware. The facility is equipped with interconnected, hardwire smoke detection system, with battery back up, which was installed by a licensed electrician and is fully operational.

On October 18, 2012, the home was inspected by the Bureau of Fire Services. An "Approved" fire safety certification was recommended.

On October 15, 2012, the home was inspected by the District Health Department #10, who determined that the home is in substantial compliance with applicable rules pertaining to environmental health, water supply and sewage disposal.

Resident bedrooms were measured during the on-site inspection and have the following dimensions:

Bedroom #	Room Dimensions	Total Square Footage	Total Resident Beds
1	13'X12'8"	155	2
2	13'X12'8"	155	2
3	14'X10'	140	2
4	14'X10'	140	2
5	12'X12'	144	2
6	12'X12'	144	2

The living, dining, and sitting room areas measure a total of 663 square feet of living space. This exceeds the minimum of 35 square feet per resident requirement.
