**II. Purpose of Addendum**

On 08/29/2013, Myra Ruthig submitted a request to increase the capacity of this small group home license from five residents to six residents.

**III. Methodology**

08/29/2013- Inspection Completed On-site

**IV. Description of Findings and Conclusions**

The resident bedroom, located on the second floor of the facility, measured 12'10" x 9'2"= 117.65 square feet. This space is adequate for one resident. The living area in the facility measured 13'6" x 14'4"= 193.05 square feet. In addition to the living area, there is a small sitting area adjoining to the living area. The sitting area measured 7'5" x 3'11"= 29.1 square feet. The total living space available to residents is 222 square feet, which is adequate for six residents.

**V. Recommendation**

I recommend that the capacity of the license increase from five residents to six residents.
