Name of Facility:	Dodd AFC #2

Capacity:	6
Program Type:	MENTALLY ILL DEVELOPMENTALLY DISABLED AGED

II. Purpose of Addendum

Increase the capacity from 5 residents to 6.

III. Methodology

On 09/19/2013 Licensee Bruce Feirick of BL&J Home Services LLC sent in a Request for Modification of the Terms of the License/Registration to increase the capacity of Dodd #2 Adult Foster Care from 5 residents to 6.

IV. Description of Findings and Conclusions

On 10/23/2013 I measured the upper floor bedroom to assess whether or not there was enough room for two resident beds. Upon reviewing R400.14409 (1) (3) Bedroom space; “usable floor space” defined, I determined that I needed to re-measure using only the space under the ceiling that was 6 feet, 6 inches in height. The upper floor bedroom has angled ceilings.

On 11/19/2013 I returned to Dodd #2 AFC with Leon Hale to measure the bedroom. It was determined at this point that the upper floor room did have enough space as defined in R 400.14409 (1) (3) to accommodate two residents thus allowing the Licensee to add one more resident.

V. Recommendation

The Department supports Licensee, Mr. Bruce Feirick’s request to increase the capacity of Dodd #2 Adult Foster Care Small Group Home from 5 residents to 6.
