ADDENDUM TO ORIGINAL LICENSING STUDY REPORT**

I. IDENTIFYING INFORMATION

License #:	AF740261575

Licensee Address:	2761 Mason Avenue Port Huron, MI 48060
Licensee Telephone #:	(810) 987-2744
Administrator/Licensee Designee:	N/A
Name of Facility:	Beulahs Place
Facility Address:	2761 Mason Avenue Port Huron, MI 48060
Facility Telephone #:	(810) 985-7581
Capacity:	3
Program Type:	MENTALLY ILL DEVELOPMENTALLY DISABLED AGED

II. Purpose of Addendum

During an inspection to renew the license, Mrs. King stated she would like to reduce the resident capacity of her facility from five residents to three residents and change the use of space documented in the original licensing study report to eliminate bedroom #2 as a resident bedroom.

III. Methodology

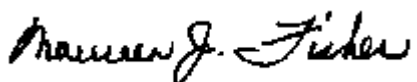

05/15/2014 Inspection completed on-site. Modification of terms request received.

IV. Description of Findings and Conclusions

I reviewed the original licensing study report dated 12/8/2003 to verify room usage and designation by the consultant who completed that report. Mrs. King identified the bedroom identified as #2 as no longer being used by residents as she is now occupying that bedroom. I observed that the bedroom identified as #1 is still fully furnished for three residents as approved in 2003. Mrs. King stated she wishes to reduce her licensed capacity to three.

V. Recommendation

I recommend approval of Mrs. King's request to modify the terms of this license to reduce resident capacity to a maximum of three residents and to change the use of space to designate one bedroom—known as bedroom #1 in the original licensing report—as the resident bedroom.
