III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility

The Simply Home Adult Foster Care home is a single story ranch style structure located in a quiet residential neighborhood in Cadillac Michigan. The home has two double occupancy and one single occupancy resident bedrooms, one full resident bathroom, a large living room, dining room, kitchen and a bedroom for the Licensee. A basement bedroom and living area is used by the Licensee's child. The Licensee has a separate bathroom suite attached to her bedroom. The home is not wheelchair accessible and thus would not accommodate those that regularly require the use of a wheelchair.

The furnace and hot water heater are located in the basement with a 1-3/4 inch solid core door equipped with an automatic self-closing device and positive latching hardware. The facility is equipped with an interconnected, hardwire smoke detection system, with battery backup, which was installed by a licensed electrician and is fully operational. The smoke detectors have been installed near sleeping areas, in the living room, in the basement near the furnace. **Fire extinguishers are installed on each floor of the home.*

Resident bedrooms were measured during the on-site inspection and have the following dimensions:

Bedroom #	Room Dimensions	Total Square Footage	Total Resident Beds
1	12'X12'4"	148	2
2	12'X11'	132	2
3	15'4"X8'	123	1

The living, dining, and sitting room areas measure a total of 463 square feet of living space. This exceeds the minimum of 35 square feet per occupant requirement.
