An evacuation route is placed on the wall in a conspicuous place in the resident bedrooms area, and emergency telephone numbers are posted next to the home's telephone.

The main floor is where Mr. and Mrs. Gregory and their minor daughter live. Their bedrooms, bathroom, and living area are on this floor. The kitchen and dining area are also located on the main floor.

Total Capacity: 6

The living and dining room areas measure a total of 216 square feet of living space. This meets the minimum requirement of 35 square feet per resident.
