III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility

Effie's Adult Foster Care home is a large two story home located in the village of Leland, Michigan. The home has four single and four double occupancy resident bedrooms all on the first level of the home. Each bedroom has its own private full bathroom. The four double occupancy bedrooms are set up as a suite with a living room area separated from the bedroom and bathroom area of that suite. A large living room and dining room, in addition to the kitchen area, are all located on the first level of the home. The upper level of the home is used for nonresident office and staff use. The home is not wheelchair accessible as it does not have two approved means of egress that are equipped with ramps from the first floor.

The furnace and hot water heater are located in the basement with a 1-3/4 inch solid core door equipped with an automatic self-closing device and positive latching hardware located at top/bottom of stairs. The facility is equipped with interconnected, hardwire smoke detection system, with battery backup, which was installed by a licensed electrician and is fully operational. . The facility is equipped with an approved pull station alarm system and a sprinkled system installed throughout.

On December 22, 2015, the home was inspected by the Bureau of Fire Services. An "Approved" fire safety certification was recommended.

On January 20, 2016, the home was inspected by the Benzie-Leelanau District Health Department who determined that the home is in substantial compliance with applicable rules pertaining to environmental health, water supply and sewage disposal.

Resident bedrooms were measured during the on-site inspection and have the following dimensions:

Bedroom #	Room Dimensions	Total Square Footage	Total Resident Beds
1-4	Suite style 12'X12'6" and 10'X10'6"	260 each	2 each (x4)
5-6	15'3"X11'4"	172 each	1 each (x2)

7	14'X12'4"	172	1
8	14'8"X11'	161	1

It is noted that resident bedrooms 5-8 are large enough to accommodate 2 residents each if the Licensee chose to do so. This license type allows for a maximum of 12 residents total in this facility.

The living, dining, and sitting room areas measure a total of 722 square feet of living space. This exceeds the minimum of 35 square feet per resident requirement.

Based on the above information, it is concluded that this facility can accommodate **12** residents. It is the licensee's responsibility not to exceed the facility's licensed capacity.

B. Program Description

Admission and discharge policies, program statement, refund policy, personnel policies, and standard procedures for the facility were reviewed and accepted as written. The applicant intends to provide 24-hour supervision, protection and personal care to **12** male or female ambulatory adults who are aged or who are diagnosed with a physical handicap, and those diagnosed with Alzheimer's disease in the least restrictive environment possible.

Programs for the aged residents will include recreational activities, community interaction, health and fitness.

Programs for the Physically Handicapped will include will include physical and occupational therapy as prescribed, assistance with activates of daily living and community interaction.

Programs for those diagnosed with Alzheimer's disease will include those services that will preserve dignity through gentle and sensitive treatment and opportunities for personal fulfillment. Staff will assist with personal care, such as bathing, grooming, dressing, personal hygiene and the administration of medications.

If required, behavioral intervention and crisis intervention programs will be developed as identified in the assessment plan. These programs shall be implemented only by trained staff, and only with the prior approval of the resident, guardian, and the responsible agency.

The licensee will provide for or arrange for transportation for program and medical needs as outlined in each residents Resident Care Agreement. The facility will make provision for a variety of leisure and recreational equipment. It is the intent of this facility to utilize local community resources including libraries, local museums, shopping centers, and local parks.

The applicant acknowledges an understanding of the training suitability and qualification requirements for direct care staff prior to each person working in the facility in that capacity or being considered as part of the staff –to- resident ratio.

The applicant acknowledged an understanding of the responsibility to assess the good moral character of employees and contractors who have regular, ongoing, “direct access” to residents or the resident information or both. The licensing consultant provided technical assistance on the process for obtaining criminal record checks utilizing the Michigan Long Term Care Partnership website (www.miltcpartnership.org), and the related documents required to be maintained in each employees record to demonstrate compliance.

The applicant acknowledges an understanding of the administrative rules regarding medication procedures and that only those direct care staff that have received medication training and have been determined competent by the licensee, can administer medication to residents. In addition, the applicant has indicated that resident medication will be stored in a locked cabinet and that daily medication logs will be maintained on each resident receiving medication.

The applicant acknowledges their responsibility to obtain all required good moral character, medical and training documentation and signatures that are to be completed prior to each direct care staff or volunteer working with residents. In addition, the applicant acknowledges their responsibility to maintain a current employee record on file in the home for the licensee, administrator, and direct care staff or volunteer and the retention schedule for all of the documents contained within each employee's file.

The applicant acknowledges an understanding of the administrative rules regarding the admission criteria and procedural requirements for accepting a resident into the home for adult foster care.

The applicant acknowledges their responsibility to obtain the required written assessment, written assessment plan, resident care agreement, and health care appraisal forms and signatures that are to be completed prior to, or at the time of each resident's admission to the home as well as the required forms and signatures to be completed for each resident on an annual basis.

The applicant acknowledges their responsibility to maintain a current resident record on file in the home for each resident and the retention schedule for all of the documents contained within each resident's file.

The applicant acknowledges an understanding of the administrative rules regarding the discharge criteria and procedural requirements for issuing a 30-Day discharge written notice to a resident as well as when a resident can be discharged before the issuance of a 30-Day written discharge notice.

The applicant acknowledges an understanding of the administrative rules regarding informing each resident of their resident rights and providing them with a copy of those rights. The applicant indicated that it is their intent to achieve and maintain compliance with these requirements.

The applicant acknowledges an understanding of the administrative rules regarding the written and verbal reporting of accidents and incidents and the responsibility to conduct an immediate investigation of the cause. The applicant has indicated their intention to achieve and maintain compliance with reporting and investigation of each incident and accident involving a resident, employee, and/or visitor.

The applicant acknowledges an understanding of the administrative rules regarding the handling of resident funds and valuables and intends to comply. The applicant acknowledges that a separate *Resident Funds Part II (BCAL-2319)* form will be created for each resident in order to document the date and amount of the adult foster care service fee paid each month and all of the residents' personal money transactions that have been agreed to be managed by the applicant.

The applicant acknowledges that residents with mobility impairments may only reside on the main floor of the facility.

D. Rule/Statutory Violations

The applicant was in compliance with the licensing act and applicable administrative rules at the time of licensure.

VI. RECOMMENDATION
