II. Purpose of Addendum

IV. Description of Findings and Conclusions

Sugarbush Manor Adult Foster Care facility is currently licensed to provide Adult Foster Care services to up to 16 residents, 55-99 years old with a diagnosis of Aged, Alzheimer's, and/or Physically Handicapped.

The licensee would like the ability to provide Adult Day Care and/or Respite Care services to individuals at Sugarbush Manor. The licensee would also like to modify the age of the population served to include individuals 18-99 years old.

The licensee has updated his Program Statement, Admission and Discharge Policy, and Refund and Pricing Policy to reflect the new terms.

I reviewed the Original Licensing Study Report dated 10/19/15 and confirmed that there is sufficient bedroom space and usable floor space to accommodate 16 residents.

The licensee shall always ensure that AFC residents and Adult Day Care and/or Respite Care individuals remain compatible. The licensee understands that at no time shall he exceed the licensed capacity of 16 residents.

V. Recommendation

I recommend that this facility's terms be changed to reflect that they provide Adult Day Care and/or Respite Care Services. I also recommend that the population served be changed to include individuals who are 18-99 years old.
