II. Purpose of Addendum

On 02/20/2020, Licensee Kerry Grayson requested a capacity change to the license from 3 residents to 4.

III. Methodology

Ms. Grayson initially had the home licensed for 4 residents and reduced the capacity from 4 to 3.

IV. Description of Findings and Conclusions

Ms. Grayson had reduced the capacity of her AFC Family home from 4 to 3 so her child could use the bedroom upstairs. On 02/13/2020, Ms. Grayson called and stated her child moved out of the family home and she would like to turn the already approved room back into a resident room. The room is upstairs and would require one (1) physically capable resident to go up and down the flight of stairs to access the room.

V. Recommendation

I recommend the capacity of the AFC Family Home be increased from 3 to 4 residents.
