I. IDENTIFYING INFORMATION

License #:	AF130385087
Licensee Name:	John Comeau
Licensee Address:	971 Capital Ave SW Battle Creek, MI 49015
Licensee Telephone #:	(978) 490-6564
Administrator/Licensee Designee:	N/A
Name of Facility:	Patriot Adult Foster Care
Facility Address:	971 Capital Ave SW Battle Creek, MI 49015
Facility Telephone #:	(978) 490-6564
Capacity:	6
Program Type:	PHYSICALLY HANDICAPPED DEVELOPMENTALLY DISABLED MENTALLY ILL

II. Purpose of Addendum

The facility is currently licensed to provide 24-hour supervision, protection and personal care to residents with a mentally ill, developmentally disabled and physically handicapped diagnosis. Licensee John Comeau has requested the facility also provide adult foster care services to the aged, residents with Alzheimer's and wheelchair accessible populations.

Mr. Comeau submitted an updated Program Statement that included the program goals and all desired populations. The facility's program will include preventative health care, personal care assistance with activities of daily living, leisure and recreational activities as well as transportation. The facility has a current contractual relationship with Veterans Affairs located in Battle Creek, MI. Referrals to the home will typically be made by the potential residents' primary clinicians, through Veteran Affairs.

If needed by residents, behavior interventions and specialized interventions will be identified in the resident's assessment plans. These interventions shall be implemented only by staff trained in the intervention techniques.

In addition to the above program elements, it is the intent of the facility to utilize local community resources for recreational activities including the public schools and library, local museums, shopping centers, churches, etc. These resources provide an environment to enhance residents' quality of life and increase their independence.

Mr. Comeau meets the qualifications and training requirements identified in the family home administrative rules and has 3 years of experience working with physically handicapped, developmentally disabled, mentally ill, aged, residents with Alzheimer's, and wheelchair accessible populations. The home is also equipped with 1 approved ramp located at the primary means of egress from the first floor. Responsible persons are currently trained to provide services to all populations. Training verification is maintained in the employee's records.

III. Methodology

On 10/24/2020 Mr. Comeau requested the facility provide 24- hour supervision, protection and personal care to residents with a physically handicapped, developmentally disabled, and mentally ill diagnosis, in addition to residents who have been diagnosed with Alzheimer's, aged and needs wheelchair accessibility. Along with this request, Mr. Comeau submitted a revised program statement as well as verification he meets the qualifications and training requirements identified in the family home administrative rules.

IV. Description of Findings and Conclusions

Compliance with the licensing act and administrative rules related to Program Type have been determined.

V. Recommendation

I recommend the aged, Alzheimer's, and wheelchair accessible population be added to the facility's program type.
