II. Purpose of Addendum

The facility requested the capacity be increased from 2 to 3 residents.

III. Methodology

On 6/16/2020, during my renewal inspection the Gordon's requested that I add a bedroom to the licensed beds in the home. During my inspection, the room was not ready to receive a resident.

On 7/23/2020, the bedroom was completed and ready for a resident. The Gordons provided a picture of the room.

IV. Description of Findings and Conclusions

The Gordon's have added the bedroom on the west side of the home, just off the Livingroom be a licensed bedroom. The bedroom Measures 9'x 12' or 108 square feet. It is appropriate for single occupancy.

I recommend an increase in capacity to 3 residents.
