II. Purpose of Addendum

The facility has requested for room five to have double occupancy which would increase their licensed bed capacity to 31.

III. Methodology

On 11/8/20, licensing was notified by the Director of Construction & Residential Services that room five had been appropriately modified to accommodate two licensed beds.

IV. Description of Findings and Conclusions

On 11/8/20 reviewed the photographs provided for room five. I found no issues with modifying room five to be listed as a double occupancy room.

V. Recommendation

I recommend the license capacity to be increased to 31.
