Dear June Bozarth and Larry Bozarth:

Attached is the Renewal Licensing Study Report for the facility referenced above. You have submitted an acceptable written corrective action plan addressing the violations cited in the report. **To verify your implementation and compliance with your corrective action plan, please submit the following by 01/11/2021:**

R 400.1405(3) Health of a licensee, responsible person, and member of the household.	Verification licensees June and Larry Bozarth were tested for and are free from communicable tuberculosis.
---	---

Corrective action plan compliance for rule 400.1426(7) will be verified at your next on-site inspection.

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.1405 Health of a licensee, responsible person, and member of the household.

(3) A licensee shall provide the department with written evidence that he or she and each responsible person in the home is free from communicable tuberculosis. Verification shall be within the 3-year period before employment and verification shall occur every 3 years thereafter.

FINDING: There was no documentation on record in the home verifying licensees June and Larry Bozarth were tested for TB within the last three years.

R 400.1426 Maintenance of premises.

(7) Stairways shall have sturdy and securely fastened handrails which are not less than 30, nor more than 34 inches above the upper surface of the tread. Exterior and interior stairways shall have handrails on the open sides. Porches shall also have handrails on the open sides.

FINDING: The exterior stairways located on the home's front and back porches were missing a handrail on one side.

A corrective action plan was requested and approved on 12/11/2020. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

An acceptable corrective action plan has been received. Renewal of the license is recommended.
