RE: License #: AS250359799
Allcare United
1030 Lucharles Ave
Mt Morris, MI 48458

Dear Mr. Hamilla:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Upon receipt of an acceptable corrective plan and an "A" rating from the health department, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (810) 787-7031.

Sincerely,

A handwritten signature in dark ink, reading "Christopher A. Holvey". The signature is written in a cursive style with a large, stylized 'C' and 'H'.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14204 Direct care staff; qualifications and training.

**(3) A licensee or administrator shall provide in-service training or make training available through other sources to direct care staff. Direct care staff shall be competent before performing assigned tasks, which shall include being competent in all of the following areas:
(c) Cardiopulmonary resuscitation.**

Multiple direct care staff had expired CPR certifications.

R 400.14205 Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(5) A licensee shall obtain written evidence, which shall be available for department review, that each direct care staff, other employees, and members of the household have been tested for communicable tuberculosis and that if the disease is present, appropriate precautions shall be taken as required by state law. Current testing shall be obtained before an individual's employment, assumption of duties, or occupancy in the home. The results of subsequent testing shall be verified every 3 years thereafter or more frequently if necessary.

Licensee and multiple direct care staff had verifications of negative TB tests that were more than three years old.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(4) At the time of admission, and at least annually, a written assessment plan shall be completed with the resident or the resident's designated representative, the responsible agency, if applicable, and the licensee. A licensee shall maintain a copy of the resident's written assessment plan on file in the home.

Multiple residents written assessment plans were not completed annually and/or within the last year.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(9) A licensee shall review the written resident care agreement with the resident or the resident's designated representative and responsible agency, if applicable, at least annually or more often if necessary.

Multiple residents resident care agreements were not completed annually and/or within the last year.

R 400.14312 Resident medications.

(4) When a licensee, administrator, or direct care staff member supervises the taking of medication by a resident, he or she shall comply with all of the following provisions:

(b) Complete an individual medication log that contains all of the following information:

- (i) The medication.
- (ii) The dosage.
- (iii) Label instructions for use.
- (iv) Time to be administered.
- (v) The initials of the person who administers the medication, which shall be entered at the time the medication is given.

Although the medication was administered properly, one resident had a PRN medication that was not documented on the medication log. No identifying information or staff initials related to this PRN medication were present on the resident's medication log.

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan and an "A" approval rating from the health department, renewal of the license is recommended.
