III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14205 **Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.**

(5) A licensee shall obtain written evidence, which shall be available for department review, that each direct care staff, other employees, and members of the household have been tested for communicable tuberculosis and that if the disease is present, appropriate precautions shall be taken as required by state law. Current testing shall be obtained before an individual's employment, assumption of duties, or occupancy in the home. The results of subsequent testing shall be verified every 3 years thereafter or more frequently if necessary.

Home has several direct care staff with expired negative TB test results that were more than 3 years old.

R 400.14205 **Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.**

(6) A licensee shall annually review the health status of the administrator, direct care staff, other employees, and members of the household. Verification of annual reviews shall be maintained by the home and shall be available for department review.

Licensee did not have any verification of annual health reviews for their staff.

R 400.14301 **Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.**

(4) At the time of admission, and at least annually, a written assessment plan shall be completed with the resident or the resident's designated representative, the responsible agency, if applicable, and the licensee. A licensee shall maintain a copy of the resident's written assessment plan on file in the home.

There were outdated/expired resident assessment plans for two separate residents. The last assessment plan were completed and/or signed in 2019.

A corrective action plan was requested and approved on 09/02/2021. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

An acceptable corrective action plan has been received. Renewal of the license is recommended.
