III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility

The home is a single-story 5 bedroom, 2 bath residence with attached garage located in a rural part of Ogemaw County near West Branch, Michigan. There is a living room inside the front entrance which leads into the kitchen and dining area. There is also another living room in the rear portion of the house which leads to a resident bedroom and office. The other 4 resident bedrooms are located on the north side of the home off

the living. The home is wheelchair accessible and has 2 approved means of egress that are equipped with ramps from the first floor.

The furnace and hot water heater are located on the first floor with a 1-3/4 inch solid core door equipped with an automatic self-closing device and positive latching hardware located in a room that is constructed of material that has a 1-hour-fire-resistance rating. The facility is equipped with interconnected, hardwire smoke detection system, with battery backup, which was installed by a licensed electrician and is fully operational. The facility is equipped with an approved pull station alarm system and a sprinkled system installed throughout.

On 10/06/2020 the home was inspected by the Bureau of Fire Services. An "Approved" fire safety certification was recommended.

On 07/27/2021 the home was inspected by the District Health Department #2 who determined that the home is in substantial compliance with applicable rules pertaining to environmental health, water supply and sewage disposal.

Resident bedrooms were measured during the on-site inspection and have the following dimensions:

Bedroom #	Room Dimensions	Total Square Footage	Total Resident Beds
1	10'3"X16'3"	166	1
2	10'6"X16'3"	170	1
3	12'3"X13'3"	161	2
4	12'6"X13'3"	165	2
5	13'8"X14'10"	202	2

The living, dining, and sitting room areas measure a total of 696 square feet of living space. This exceeds the minimum of 35 square feet per resident requirement.

Based on the above information, it is concluded that this facility can accommodate **8** residents. It is the licensee's responsibility not to exceed the facility's licensed capacity.

B. Program Description

Admission and discharge policies, program statement, refund policy, personnel policies, and standard procedures for the facility were reviewed and accepted as written. The applicant intends to provide 24-hour supervision, protection, and personal care to **8** male or female ambulatory or non-ambulatory adults who are diagnosed with a mental illness, a developmental disability, or a physical handicap, in the least restrictive environment possible.

The program for the mentally ill residents will include the development of skills related to social interaction, personal hygiene, personal adjustment, and public safety. A personal

behavior support plan will be designed and implemented for each resident's social and behavioral developmental needs.

Programs for the Developmentally Disabled will include physical and occupational therapy services, assistance, and training with activities of daily living skills, job skills training and other activities as directed by the residents supervising agency or as written in the resident's person-centered plan.

Programs for the Physically Handicapped will include physical and occupational therapy as prescribed, assistance with activities of daily living and community interaction.

If required, behavioral intervention and crisis intervention programs will be developed as identified in the assessment plan. These programs shall be implemented only by trained staff, and only with the prior approval of the resident, guardian, and the responsible agency.

The licensee will provide for or arrange for transportation for program and medical needs as outlined in each resident's Resident Care Agreement. The facility will make provision for a variety of leisure and recreational equipment. It is the intent of this facility to utilize local community resources including libraries, local museums, shopping centers, and local parks.

The applicant acknowledges an understanding of the administrative rules regarding the handling of resident funds and valuables and intends to comply. The applicant acknowledges that a separate *Resident Funds Part II (BCAL-2319)* form will be created for each resident in order to document the date and amount of the adult foster care service fee paid each month and all of the resident's personal money transactions that have been agreed to be managed by the applicant.

The applicant acknowledges that residents with mobility impairments may only reside on the main floor of the facility.
