#### Dear Ms. Waldburg:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

A six-month provisional license is recommended. If you do not contest the issuance of a provisional license, you must indicate so in writing; this may be included in your corrective action plan or in a separate document. If you contest the issuance of a provisional license, you must notify this office in writing and an administrative hearing will be scheduled. Even if you contest the issuance of a provisional license, you must still submit an acceptable corrective action plan within 15 days.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

LaKeitha Stevens, Licensing Consultant Bureau of Community and Health Systems
