RE: License #: AS820382715
Yarbrough AFC II
15226 Beechdaley
Taylor, MI 48180

Dear Mr. Yarbrough:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

A handwritten signature in black ink, appearing to read 'D Walker', with a horizontal line extending to the right.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(10) At the time of the resident's admission to the home, a licensee shall require that the resident or the resident's designated representative provide a written health care appraisal that is completed within the 90-day period before the resident's admission to the home. A written health care appraisal shall be completed at least annually. If a written health care appraisal is not available at the time of an emergency admission, a licensee shall require that the appraisal be obtained not later than 30 days after admission. A department health care appraisal form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

At the time of inspection:

- Resident A's file did not contain a health care appraisal within 30 days of admission. He was admitted on 8/27/2019, as an emergency admission; his health care appraisal was dated 10/30/2019.
- Resident B's file did not contain an annual 2020 health care appraisal.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(9) A licensee shall review the written resident care agreement with the resident or the resident's designated representative and responsible agency, if applicable, at least annually or more often if necessary.

At the time of inspection, Resident A's file did not contain a 2019 resident care agreement.

R 400.14315 Handling of resident funds and valuables.

(3) A licensee shall have a resident's funds and valuables transaction form completed and on file for each resident. A

department form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

At the time of admission, Resident A's file did not contain a completed resident funds and valuables part II transaction form.

R 400.14403 Maintenance of premises.

(11) Handrails and nonskid surfacing shall be installed in showers and bath areas.

At the time of inspection, the resident's bathroom on the main level was not equipped with a handrail in the shower and bath area.

R 400.14403 Maintenance of premises.

(2) Home furnishings and housekeeping standards shall present a comfortable, clean, and orderly appearance.

At the time of inspection, the resident's bathroom door on the second level was not in good repair.

R 400.14511 Flame-producing equipment; enclosures.

(2) Heating plants and other flame-producing equipment located on the same level as the residents shall be enclosed in a room that is constructed of material which has a 1-hour-fire resistance rating, and the door shall be made of 1 3/4-inch solid core wood. The door shall be hung in a fully stopped wood or steel frame and shall be equipped with an automatic self-closing device and positive-latching hardware.

At the time of inspection, the fire door was not equipped with positive-latching hardware.

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
