**(11) Upon consent of an individual as required in subsection (3) and upon request from an adult foster care facility or staffing agency that has made a good faith offer of employment or an independent contract to the individual, the relevant licensing or regulatory department shall review the criminal history record information, if any, and notify the requesting adult foster care facility or staffing agency of the information in the manner prescribed in subsection (4) or (5). Until the federal bureau of investigation implements an automatic notification system similar to the system required of the state police under subsection (14) and federal regulations allow the federal criminal record to be used for subsequent authorized uses, as determined in an order issued by the department, an adult foster care facility or staffing agency may rely on the criminal history record information provided by the relevant licensing or regulatory department under this subsection and a request to the federal bureau of investigation to make a subsequent determination of the existence of any national criminal history pertaining to the individual is not necessary if all of the following requirements are met:**

**(b) The individual has been continuously employed by an adult foster care facility, mental health facility, or covered health facility, or the staffing agency since the criminal history check was conducted in compliance with this section or meets the continuous employment requirement of this subdivision other than being on layoff status for less than 1 year from an adult foster care facility, mental health facility, or covered health facility.**

If the individual has been the subject of a criminal history check conducted in compliance with this section, the individual shall give written consent at the time of application for the adult foster care facility or staffing agency to obtain the criminal history record information as prescribed in subsection (4) or (5) from the relevant licensing or regulatory department and for the department of state police to conduct a criminal history check under this section if the requirements of subsection (11) are not met and a request to the federal bureau of investigation to make a determination of the existence of any national criminal history pertaining to the individual is necessary, along with identification acceptable to the department of state police.
