Dear Mr. Call:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (248) 975-5053.

Sincerely,

A handwritten signature in cursive script that reads "L. Reed".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 330.1806 Staffing levels and qualifications.

(2) All staff who work independently and staff who function as lead workers with clients shall have successfully completed a course of training which imparts basic concepts required in providing specialized dependent care and which measures staff comprehension and competencies to deliver each client's individual plan of service as written. Basic training shall address all of the following areas:

(d) Basic first aid and cardiopulmonary resuscitation

Direct care staff Elincoln Benton first aid and cardiopulmonary resuscitation was last completed on 03/08/2018 and expired on 03/08/2010.

R 400.14204 Direct care staff; qualifications and training.

(3) A licensee or administrator shall provide in-service training or make training available through other sources to direct care staff. Direct care staff shall be competent before performing assigned tasks, which shall include being competent in all of the following areas:

(a) Reporting requirements.

Direct care staff Elincoln Benton did not have record of Reporting requirements training in his employee record.

R 400.14205 Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(3) A licensee shall maintain, in the home, and make available for department review, a statement that is signed by a licensed physician or his or her designee attesting to the knowledge of the physical health of direct care staff, other employees, and members of the household. The statement shall be obtained within 30 days of an individual's employment, assumption of duties, or occupancy in the home.

Direct care staff Elincoln Benton was hired on 07/23/2004 and there was no record of a physician statement 30-days at/within hire.

R 400.14312 Resident medications.

(4) When a licensee, administrator, or direct care staff member supervises the taking of medication by a resident, he or she shall comply with all of the following provisions:

(b) Complete an individual medication log that contains all of the following information:

- (i) The medication.
- (ii) The dosage.
- (iii) Label instructions for use.
- (iv) Time to be administered.
- (v) The initials of the person who administers the medication, which shall be entered at the time the medication is given.

Resident A's Divalproex 250mg medication take 3 tabs at bedtime was not on the medication administration record and had been administered.

R 400.14401 Environmental health.

(2) Hot and cold running water that is under pressure shall be provided. A licensee shall maintain the hot water temperature for a resident's use at a range of 105 degrees Fahrenheit to 120 degrees Fahrenheit at the faucet.

I observed that the following faucets were not within range:

- The kitchen faucet registered at 125.5 degrees Fahrenheit.
- Bathroom number one faucet registered at 123.8 degrees Fahrenheit.
- Bathroom number two registered at 122.1 degrees Fahrenheit.

R 400.14402 Food service.

(3) All perishable food shall be stored at temperatures that will protect against spoilage. All potentially hazardous food shall be kept at safe temperatures. This means that all cold foods are to be kept cold, 40 degrees Fahrenheit or below, and that all hot foods are to be kept hot, 140 degrees Fahrenheit or above, except during periods that are necessary for preparation and service. Refrigerators and freezers shall be equipped with approved thermometers.

I observed that the kitchen freezer did not have a thermometer.

R 400.14401 Environmental health.

(4) All garbage and rubbish that contains food wastes shall be kept in leakproof, nonabsorbent containers. The containers shall be kept covered with tight-fitting lids and shall be removed from the home daily and from the premises at least weekly.

I observed that the kitchen waste container did not have a lid.

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
