**ALLEGATION:**

**Direct care staff Kobie Fletcher mistreated Resident A.**

**INVESTIGATION:**

An APS referral has been made by the licensee.

On 5/17/2022, I interviewed direct care staff Logan Watts and Kobie Fletcher. Logan Watts stated when Resident A became upset with Kobie Fletcher's request that he take a shower, Resident A assaulted Kobie Fletcher with a punch to the genital area. Logan Watts stated Kobie Fletcher became upset, punched Resident A in the face, dragged him into the shower, and slapped him in the back of the head. Kobie Fletcher denied that he punched, dragged, or slapped Resident A, although he did concur that Resident A had punched him in the genital area.

On 5/17/2022, I interviewed Resident A. He stated he had been punched, dragged, and slapped by a direct care staff. He identified Kobie Fletcher as the perpetrator.

On 5/17/2022, I interviewed Resident A's guardian. She stated she was satisfied with the placement, the services her son is receiving, and the communication with the Eisenhower Center staff.

On 5/18/2022, I conducted an exit conference with Don Adams, licensee designee. He stated Kobie Fletcher's employment has been terminated.

<b>APPLICABLE RULE</b>	
<b>R 400.15308</b>	<b>Resident behavior interventions prohibitions.</b>
	<b>(1) A licensee shall not mistreat a resident and shall not permit the administrator, direct care staff, employees, volunteers who are under the direction of the licensee, visitors, or other occupants of the home to mistreat a resident. Mistreatment includes any intentional action or omission which exposes a resident to a serious risk or physical or emotional harm or the deliberate infliction of pain by any means.</b>

<b>ANALYSIS:</b>	Since both Resident A and direct care staff Logan Watts were found to be credible and possessed firsthand knowledge of the incident, then the preponderance of credible evidence is that direct care staff Kobie Fletcher, and by rule, the licensee, mistreated Resident A.
<b>CONCLUSION:</b>	<b>VIOLATION ESTABLISHED</b>

#### IV. RECOMMENDATION

An acceptable plan of correction was received; therefore, I recommend no changes to the status of the license.
