(5) Upon receipt of the written consent to conduct a criminal history check and identification required under subsection (3), if the individual has applied for employment either as an employee or as an independent contractor with an adult foster care facility or staffing agency, the adult foster care facility or staffing agency that has made a good faith offer of employment or independent contract shall comply with subsection (4) and shall make a request to the department of state police to forward the individual's fingerprints to the federal bureau of investigation. If the requesting adult foster care facility or staffing agency is not a state department or agency and if criminal history record information is disclosed on the written report of the criminal history check or the federal bureau of investigation determination that resulted in a conviction, the department shall notify the adult foster care facility or staffing agency and the individual in writing of the type of crime disclosed

on the written report of the criminal history check or the federal bureau of investigation determination without disclosing the details of the crime. The notification shall inform the adult foster care facility or staffing agency and the applicant regarding the appeal process in section 34c and shall include a statement that the individual has a right to appeal the information relied upon by the adult foster care facility or staffing agency in making its decision regarding his or her employment eligibility based on the criminal history check. At the time of inspection, I observed Resident A and his records. I confirmed that he is a two-person assist and requires two staff to transfer him from his wheelchair to bed, shower, and/or any time he has to be moved. I reviewed the staff schedules and determined that the home does not have sufficient staff on duty at all times for the supervision, personal care, and protection of the residents.

A written health care appraisal shall be completed at least annually. If a written health care appraisal is not available at the time of an emergency admission, a licensee shall require that the appraisal be obtained not later than 30 days after admission. A department health care appraisal form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

At the time of inspection, Resident B did not have a health care appraisal completed and on file within the 90-day period before his admission into the home. Resident A was admitted to the home on 04/01/22. The health care appraisal that was on file at the home was completed on 05/11/22 and was completed on a childcare health care appraisal form.

A licensee shall maintain a copy of the resident's written assessment plan on file in the home.
