III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(4) At the time of admission, and at least annually, a written assessment plan shall be completed with the resident or the resident's designated representative, the responsible agency, if applicable, and the licensee. A licensee shall maintain a copy of the resident's written assessment plan on file in the home.

A written assessment was not updated annually for one resident.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(6) At the time of a resident's admission, a licensee shall complete a written resident care agreement. A resident care agreement is the document which is established between the resident or the resident's designated representative, the responsible agency, if applicable, and the licensee and which specifies the responsibilities of each party. A resident care agreement shall include all of the following:

(a) An agreement to provide care, supervision, and protection, and to assure transportation services to the resident as indicated in the resident's written assessment plan and health care appraisal.

(b) A description of services to be provided and the fee for the service.

(c) A description of additional costs in addition to the basic fee that is charged.

(d) A description of the transportation services that are provided for the basic fee that is charged and the transportation services that are provided at an extra cost.

(e) An agreement by the resident or the resident's designated representative or responsible agency to provide necessary intake information to the licensee, including health-related information at the time of admission.

(f) An agreement by the resident or the resident's designated representative to provide a current health care appraisal as required by subrule (10) of this rule.

(g) An agreement by the resident to follow the house rules that are provided to him or her.

(h) An agreement by the licensee to respect and safeguard the resident's rights and to provide a written copy of these rights to the resident.

(i) An agreement between the licensee and the resident or the resident's designated representative to follow the home's discharge policy and procedures.

(j) A statement of the home's refund policy. The home's refund policy shall meet the requirements of R 400.14315.

(k) A description of how a resident's funds and valuables will be handled and how the incidental needs of the resident will be met.

(l) A statement by the licensee that the home is licensed by the department to provide foster care to adults.

A written care agreement was not updated annually for one resident.

R 400.14507 Means of egress generally.

(5) A door that forms a part of a required means of egress shall be not less than 30 inches wide and shall be equipped with positive-latching, non-locking-against-egress hardware.

Means of egress on the first floor were equipped with key-coded locks that make both means of egress locked against egress with more than one motion to unlock.

A corrective action plan was requested and approved on 06/13/2022. A revised correction action plan is necessary that reflects that a variance will be obtained to continue the use of the key-coded locks on both means of egress. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
