RE: License #: AS810412114
The Hills
3985 Hillside
Ypsilanti, MI 48197

Dear Ms. Waddell:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation?
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

Vanita C. Bouldin, Licensing Consultant

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

MCL 400.734b **Employing or contracting with certain employees providing direct services to residents; prohibitions; criminal history check; exemptions; written consent and identification; conditional employment; use of criminal history record information; disclosure; failure to conduct criminal history check; automated fingerprint identification system database; report to legislature; costs; definitions.**

(2) Except as otherwise provided in this subsection or subsection (6), an adult foster care facility shall not employ or independently contract with an individual who has direct access to residents until the adult foster care facility or staffing agency has conducted a criminal history check in compliance with this section or has received criminal history record information in compliance with subsections (3) and (11). This subsection and subsection (1) do not apply to an individual who is employed by or under contract to an adult foster care facility before April 1, 2006. On or before April 1, 2011, an individual who is exempt under this subsection and who has not been the subject of a criminal history check conducted in compliance with this section shall provide the department of state police a set of fingerprints and the department of state police shall input those fingerprints into the automated fingerprint identification system database established under subsection (14). An individual who is exempt under this subsection is not limited to working within the adult foster care facility with which he or she is employed by or under independent contract with on April 1, 2006 but may transfer to another adult foster care facility, mental health facility, or covered health facility. If an individual who is exempt under this subsection is subsequently convicted of a crime or offense described under subsection (1)(a) to (g) or found to be the subject of a substantiated finding described under subsection (1)(i) or an order or disposition described under subsection (1)(h), or is found to have been convicted of a relevant crime described under 42 USC 1320a-7(a), he or she is no longer exempt and shall be terminated from employment or denied employment.

Employee, TW, criminal history check (finger printing) not completed under new corporation, NRMI LLC.

R 400.14505

Smoke detection equipment; location; battery replacement; testing, examination, and maintenance; spacing of detectors mounted on ceilings and walls; installation requirements for new construction, conversions, and changes of category.

(1) At least 1 single-station, battery-operated smoke detector shall be installed at the following locations: (b) On each occupied floor, in the basement, and in areas of the home that contain flame- or heat- producing equipment.

Smoke detector in the basement not in working order. Did not sound alarm during test mode.

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.

Vanita C. Bouldin
Licensing Consultant
