RE: License #: AS820398615
Best Kept Home Care
7207 Buhr
Detroit, MI 48212

Dear Ms. Howard:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged, authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

A handwritten signature in cursive script that reads "Shatonla Daniel".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14203

Licensee and administrator training requirements.

(1) A licensee and an administrator shall complete the following educational requirements specified in subdivision (a) or (b) of this subrule, or a combination thereof, on an annual basis:

(a) Participate in, and successfully complete, 16 hours of training designated or approved by the department that is relevant to the licensee's admission policy and program statement.

(b) Have completed 6 credit hours at an accredited college or university in an area that is relevant to the licensee's admission policy and program statement as approved by the department.

At the time of inspection, Licensee designee and Administrator failed to participate in, and successfully complete, 16 hours of training designated and/or completed 6 credit hours at an accredited college or university in an area that is relevant to the licensee's admission policy and program statement as approved by the department annually.

R 400.14206

Staffing requirements.

(3) Any individual, including a volunteer, shall not be considered in determining the ratio of direct care staff to residents unless the individual meets the qualifications of a direct care staff member.

At the time of inspection, Volunteer Staff- Andrew Howard records reviewed showed no direct care worker training despite working alone at the facility.

R 400.14301

Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(10) At the time of the resident's admission to the home, a licensee shall require that the resident or the resident's designated representative provide a written health care appraisal that is completed within the 90-day period before the

resident's admission to the home. A written health care appraisal shall be completed at least annually. If a written health care appraisal is not available at the time of an emergency admission, a licensee shall require that the appraisal be obtained not later than 30 days after admission. A department health care appraisal form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

At the time of inspection, Residents A- B records reviewed did not contain a health care appraisal completed within the 90-day period before the resident's admission and not later than 30 days after an emergency admission to the home. A written health care appraisal shall be completed at least annually.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(4) At the time of admission, and at least annually, with the resident or the resident's designated representative, the responsible agency, if applicable, and the licensee. A licensee shall maintain a copy of the resident's written assessment plan on file in the home.

At the time of inspection, Resident A record reviewed did not contain a completed written assessment plan for 2021 and 2022.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(9) A licensee shall review the written resident care agreement with the resident or the resident's designated representative and responsible agency, if applicable, at least annually or more often if necessary.

At the time of inspection, Resident A record reviewed did not contain completed written resident care agreement for 2021 and 2022.

R 400.14310 Resident health care.

(3) A licensee shall record the weight of a resident upon admission and monthly thereafter. Weight records shall be kept on file for 2 years.

At the time of inspection, Resident B record reviewed did not contain weight records since 09/01/2021 but he was not discharged until 11/04/2022.

R 400.14318 Emergency preparedness; evacuation plan; emergency transportation.

(5) A licensee shall practice emergency and evacuation procedures during daytime, evening, and sleeping hours at least once per quarter. A record of the practices shall be maintained and be available for department review.

At the time of inspection, Licensee failed to practice and maintain a record of fire drills for evening and sleeping hours at least once per quarter for 2021 and 2022.

R 400.14401 Environmental health.

(2) Hot and cold running water that is under pressure shall be provided. A licensee shall maintain the hot water temperature for a resident's use at a range of 105 degrees Fahrenheit to 120 degrees Fahrenheit at the faucet.

At the time of inspection, observed water temperature in kitchen and bathroom to be 140 degrees Fahrenheit at the faucet.

R 400.14401 Environmental health.

(6) Poisons, caustics, and other dangerous materials shall be stored and safeguarded in nonresident areas and in non-food preparation storage areas.

At the time of inspection, observed cleaning products and poisons stored in kitchen and bathroom without being properly safeguarded.

R 400.14402 Food service.

(3) All perishable food shall be stored at temperatures that will protect against spoilage. All potentially hazardous food shall be kept at safe temperatures. This means that all cold foods are to be kept cold, 40 degrees Fahrenheit or below, and that all hot foods are to be kept hot, 140 degrees Fahrenheit or above, except during periods that are necessary for preparation and service. Refrigerators and freezers shall be equipped with approved thermometers.

At the time of inspection, observed the refrigerator and freezers to not be equipped with thermometers.

R 400.14403 Maintenance of premises.

(1) A home shall be constructed, arranged, and maintained to provide adequately for the health, safety, and well-being of occupants.

At the time of inspection, I observed the following:

- no working utilities upstairs in the facility.
- stove right back burner to not be operable.
- the heating plant to not be equipped with a 1 ¾ solid core wood door or 60 minute or higher fire door.

R 400.14506 Fire extinguishers; location, examination, and maintenance.

(2) Fire extinguishers shall be examined and maintained as recommended by the manufacturer.

At the time of inspection, observed fire extinguishers to not be maintained as evidence there were no service tags.

R 400.14507 Means of egress generally.

(5) A door that forms a part of a required means of egress shall be not less than 30 inches wide and shall be equipped with positive-latching, non-locking-against-egress hardware.

Observed side door to be bolted shut and not equipped with non-locking against egress hardware. In addition, the administrator did not have a key to unlock the door.

R 400.14507 Means of egress generally.

(6) Occupied room door hardware shall be equipped with positive-latching, non-locking-against-egress hardware.

Observed all downstairs bedroom doors to not be equipped with positive-latching hardware.

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
