RE: License #: AS670015899
Hopkins 20th Ave AFC
8328 20th Avenue
Sears, MI 49679

Dear Ms Hopkins:

Attached is the Renewal Licensing Study Report for the facility referenced above. You have submitted an acceptable written corrective action plan addressing the violations cited in the report. To verify your implementation and compliance with this corrective action plan: An on-site inspection will be conducted.

The study has determined substantial compliance with applicable licensing statutes and administrative rules. Therefore, your license and special certification is renewed. It is valid only at your present address and is nontransferable. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.

Sincerely,

A handwritten signature in cursive script that reads "Adam Robarge".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14203 Licensee and administrator training requirements.

(1) A licensee and an administrator shall complete the following educational requirements specified in subdivision (a) or (b) of this subrule, or a combination thereof, on an annual basis:

(a) Participate in, and successfully complete, 16 hours of training designated or approved by the department that is relevant to the licensee's admission policy and program statement.

(b) Have completed 6 credit hours at an accredited college or university in an area that is relevant to the licensee's admission policy and program statement as approved by the department.

The licensee designee only completed 7.25 hours of training in 2023.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(9) A licensee shall review the written resident care agreement with the resident or the resident's designated representative and responsible agency, if applicable, at least annually or more often if necessary.

The resident care agreement for Resident A was signed by the required parties more than a year ago.

R 400.14401 Environmental health.

(2) Hot and cold running water that is under pressure shall be provided. A licensee shall maintain the hot water temperature for a resident's use at a range of 105 degrees Fahrenheit to 120 degrees Fahrenheit at the faucet.

The water temperature in the kitchen was measured at 129 degrees in the kitchen and 123 in a resident bathroom.

R 400.14402

Food service.

(3) All perishable food shall be stored at temperatures that will protect against spoilage. All potentially hazardous food shall be kept at safe temperatures. This means that all cold foods are to be kept cold, 40 degrees Fahrenheit or below, and that all hot foods are to be kept hot, 140 degrees Fahrenheit or above, except during periods that are necessary for preparation and service. Refrigerators and freezers shall be equipped with approved thermometers.

The freezer was not equipped with a thermometer at the time of the inspection.

A corrective action plan was requested and approved on 04/19/2023. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license and special certification.

IV. RECOMMENDATION

I recommend issuance of a two-year regular adult foster care license.
