III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility

Serenity At Rochester Hills is a large single-story home located at 2185 Clinton View Cr., Rochester Hills, MI 48309. The area of the home that is designated for residents has five bedrooms, two full bathrooms, an office, a living room, and a kitchen/dining area. Diana Buia and her husband and their two minor children (a nanny was hired to care for the minor children) reside in the finished walkout basement of the home, which is separated from the residents' area. The home is located in a suburban area of Rochester Hills that is easily accessible to community based recreational facilities, shopping centers, medical facilities, and places of worship. The Oakland County Sheriff's Police Department - Rochester Hills Substation responds to emergency calls from the home. Ascension Providence Rochester Hospital is located within five miles from the home.

The furnace and hot water heater are located in the basement, which is separated from the main floor by a 1¾ inch solid core door with an automatic self-closing device and positive latching hardware. The facility is equipped with an interconnected smoke detection system, which is fully operational, as well as heat detectors in areas of the home that have heat producing equipment. The home has public water and a public sewer system. The home can accommodate residents who use a wheelchair, as it has a ramp at the means of egress.

The residents' bedrooms were measured during the on-site inspection and have the following dimensions:

Bedroom #	Room Dimensions	Total Square Footage	Total Resident Beds
1	3'11" x 10'01"	140	1
2	11'09" x 13'0"	153	2
3	9'07" x 10'09"	103	1
4	13' x 9'0"	117	1
5	12'07" x 10'11"	137	1

Total capacity: 6

The living and dining room areas measure a total of **585** square feet of living space. This exceeds the minimum of 35 square feet per resident requirement.

Based on the above information, it is concluded that this facility can accommodate **six** residents. It is the licensee's responsibility not to exceed the facility's licensed capacity.

B. Program Description

Serenity At Rochester Hills intends to provide 24-hour supervision, protection, and personal care to **six** male or female residents, aged 65+, whose diagnosis is aged, Alzheimer's (dementia) and physically handicapped. The program will include instruction for daily living, personal hygiene assistance, and social and recreational activities.

In addition, she acknowledged the responsibility to maintain a current employee record on file in the home for the licensee, responsible person, volunteer, or staff, and the retention schedule for all of the documents contained within each employee's file.

Mrs. Buia acknowledged an understanding of the administrative rules regarding the admission criteria and procedural requirements for accepting a resident into the home for adult foster care.
