STATE OF MICHIGAN DEPARTMENT OF LICENSING AND REGULATORY AFFAIRS LANSING

ORLENE HAWKS DIRECTOR

July 22, 2021

Sherman Taylor Taylor's Special Care Services, Inc. Ste 210 23800 West Ten Mile Rd Southfield, MI 48034

RE: License #: AS630405301

Winchester Home 21001 Winchester Street Southfield, MI 48076

Dear Mr. Taylor:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (248) 975-5053.

Sincerely,

DaShawnda Lindsey, Licensing Consultant Bureau of Community and Health Systems 4th Floor, Suite 4B 51111 Woodward Avenue

Pontiac, MI 48342 (248) 505-8036

MICHIGAN DEPARTMENT OF LICENSING AND REGULATORY AFFAIRS BUREAU OF COMMUNITY AND HEALTH SYSTEMS RENEWAL INSPECTION REPORT

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:				
R 400.14205	Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.			
	(3) A licensee shall maintain, in the home, and make available for department review, a statement that is signed by a licensed physician or his or her designee attesting to the knowledge of the physical health of direct care staff, other employees, and members of the household. The statement shall be obtained within 30 days of an individual's employment, assumption of duties, or occupancy in the home.			
_	pton was rehired in March 2021. There was no verification she had be within 30 days of her rehire date.			
R 400.14312	Resident medications.			
	(4) When a licensee, administrator, or direct care staff member supervises the taking of medication by a resident, he or she shall comply with all of the following provisions: (b) Complete an individual medication log that contains all of the following information: (i) The medication. (ii) The dosage. (iii) Label instructions for use. (iv) Time to be administered. (v) The initials of the person who administers the medication, which shall be entered at the time the medication is given.			
	cribed a Nicotine patch. It is supposed to applied daily by and removed at bedtime. This was not documented on the			
resident's medication administration record (MAR). Staff did not initial the MAR to show administration of this medication.				
R 400.14401	Environmental health.			
	(4) All garbage and rubbish that contains food wastes shall be kept in leakproof, nonabsorbent containers. The containers			

	shall be kept covered with tight-fitting lids and shall be removed from the home daily and from the premises at least weekly.			
There was not a	lid on the garbage can in the kitchen.			
R 400.14403	Maintenance of premises.			
	(1) A home shall be constructed, arranged, and maintained to provide adequately for the health, safety, and well-being of occupants.			
•	the stairway leading to the upper level need to be removed or nesive to them so they completely stick to the stairs).			
R 400.14403	Maintenance of premises.			
	(11) Handrails and nonskid surfacing shall be installed in showers and bath areas.			
	Nonskid surfacing needs to be installed in the bath area in the bathroom attached to the residents' bedroom.			

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license and special certification is recommended.

RE: License #: AS630405301

RE: SI LOG #: Winchester Home

21001 Winchester Street Southfield, MI 48076

Dear Mr. Taylor:

This letter is to advise you that the 08/04/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

To verify your implementation and compliance with this corrective action plan: You are to submit a Statement of Correction.

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (248) 975-5053.

Sincerely,

DaShawnda Lindsey, Licensing Consultant Bureau of Community and Health Systems
