The purpose of this addendum is to document the addition of a wheelchair ramp onto the facility and add “wheelchair accessible” to the terms of the license.

September 13, 2023 – On-site inspection completed.

IV. Description of Findings and Conclusions

On September 13, 2023, I conducted an on-site inspection of the wheelchair ramp attached to this facility. I met with Licensee Joanna Gonyer. My observation and measurements of the ramp note that it is in full compliance with AFC licensing rules and building code. It was constructed by a fully licensed carpenter.
