RE: License #: AS820269509
Up on Livernois - Family Tyes
16837 Livernois
Detroit, MI 48221

Dear Ms. Carson:

Attached is the Renewal Licensing Study Report for the facility referenced above. You have submitted an acceptable written corrective action plan addressing the violations cited in the report. To verify your implementation and compliance with this corrective action plan: *(choose one or more)*

- You are to submit documentation of compliance.
- You are to submit a Statement of Correction.
- An on-site inspection will be conducted.

The study has determined substantial compliance with applicable licensing statutes and administrative rules. Therefore, your license and special certification are renewed. They are valid only at your present address and is nontransferable.

Please contact me with any questions. In the event that I am not available, and you

need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

A handwritten signature in blue ink, appearing to read "Edith Richardson".

Edith Richardson, Licensing Consultant

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14205 Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(5) A licensee shall obtain written evidence, which shall be available for department review, that each direct care staff, other employees, and members of the household have been tested for communicable tuberculosis and that if the disease is present, appropriate precautions shall be taken as required by state law. Current testing shall be obtained before an individual's employment, assumption of duties, or occupancy in the home. The results of subsequent testing shall be verified every 3 years thereafter or more frequently if necessary.

Staff LaTicia Taylor's TB test result was not current.

R 400.14401 Environmental health.

(2) Hot and cold running water that is under pressure shall be provided. A licensee shall maintain the hot water temperature for a resident's use at a range of 105 degrees Fahrenheit to 120 degrees Fahrenheit at the faucet.

Hot water temperature for resident's use was 125 degrees Fahrenheit.

R 400.14402 Food service.

(4) All food service equipment and utensils shall be constructed of material that is nontoxic, easily cleaned, and maintained in good repair. All food services equipment and eating and drinking utensils shall be thoroughly cleaned after each use.

Two burners on the stove did not light.

R 400.14403 Maintenance of premises.

(2) Home furnishings and housekeeping standards shall present a comfortable, clean, and orderly appearance.

Damaged walls had been repaired however they had not been painted.

A corrective action plan was requested and approved on 02/09/2024. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license and special certification.

IV. RECOMMENDATION

An acceptable corrective action plan has been received. Renewal of the license is recommended.
