RE: License #:	AL060312454 The Horizon Senior Living IV 218 Airpark Drive Standish, MI 48658
----------------	--

Dear Carl Schuler:

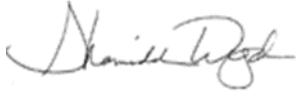

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged, authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 643-7960.

Sincerely,

A handwritten signature in cursive script, appearing to read "Shamidah Wyden".

There were no recent incident reports requiring follow-up.
- Corrective action plan compliance verified? Yes  CAP date/s and rule/s:  
N/A
- Number of excluded employees followed-up? 2 N/A
- Variances? Yes  (please explain) No  N/A

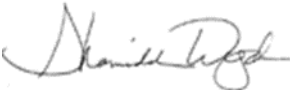

### III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:	
<b>R 400.15310</b>	<b>Resident health care.</b>
	<b>(3) A licensee shall record the weight of a resident upon admission and monthly thereafter. Weight records shall be kept on file for 2 years.</b>
During the course of this inspection, it was found that there were about three months in 2022 and two months in 2023 where there were no documented weights for Resident A.	
<b>R 400.15318</b>	<b>Emergency preparedness; evacuation plan; emergency transportation.</b>
	<b>(5) A licensee shall practice emergency and evacuation procedures during daytime, evening, and sleeping hours at least once per quarter. A record of the practices shall be maintained and be available for department review.</b>
During the course of this inspection, it was found that there was no evening hour drill conducted in the 2 <sup>nd</sup> quarter of 2022, and no evening hour drill conducted in the 4 <sup>th</sup> quarter of 2023.	
<b>R 400.15401</b>	<b>Environmental health.</b>
	<b>(2) Hot and cold running water that is under pressure shall be provided. A licensee shall maintain the hot water temperature for a resident's use at a range of 105 degrees Fahrenheit to 120 degrees Fahrenheit at the faucet.</b>
During the course of this inspection, multiple resident bathroom faucets had temperature readings ranging outside of the 105-to-120-degree Fahrenheit range.	
<b>R 400.15403</b>	<b>Maintenance of premises.</b>
	<b>(1) A home shall be constructed, arranged, and maintained to provide adequately for the health, safety, and well-being of occupants.</b>
During the course of this inspection, the bedroom door to room #12 appeared to drag across the carpet and appeared to need adjustment to open easily. Room #12 also had a missing closet door handle. The basement's fire extinguisher gauge read that the extinguisher needed to be charged.	
<b>R 400.15410</b>	<b>Bedroom furnishings.</b>
	<b>(5) A licensee shall provide a resident with a bed that is not less than 36 inches wide and not less than 72 inches long.</b>

	<b>The foundation shall be clean, in good condition, and provide adequate support. The mattress shall be clean, comfortable, in good condition, well protected, and not less than 5 inches thick or 4 inches thick if made of synthetic materials. The use of a waterbed is not prohibited by this rule.</b>
At the time of this inspection, Resident B's room was not equipped with a bed. Resident B only had a couch.	

**IV. RECOMMENDATION**

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
