### ALLEGATION:

**Resident A physically abused by former staff Isiah Moretti**

### INVESTIGATION:

On 6/25/2024, I interviewed Daniel Bogosian. He stated that on 5/13/2024, Resident A was having a behavioral episode which included banging his head on the floor. Dan Bogosian stated that according to Resident A's behavior plan, staff are supposed to place a soft item such as a pillow, towel, or cushion under his head to prevent injury. Dan Bogosian stated that former staff Isiah Moretti stated he put his foot under Resident A's head because he couldn't find a soft item. The result was that Resident A incurred a bruised left eye. Dan Bogosian stated that after their internal

investigation, the Eisenhower Center personnel office terminated Isiah Moretti's employment.

On 6/25/2024, I reviewed a copy of Resident A's behavior plan. It stated that staff are supposed to place a soft item, such as a towel, pillow or cushion under Resident A's head when he engages in self-injury such as head banging.

On 6/25/2024, I reviewed the skilled nursing note, dated 5/13/2024, regarding Resident A's injury. It stated that the nurse assessed Resident A's left eye which was swollen and moderately bruised. She did not recommend any specific medical treatment. Resident A's guardian was notified as well as the school nurse before he was sent to school on that day.

Resident A was attempted to be interviewed on 6/25/24, but due to his limited verbal communication and cognitive impairment he was unable to provide any information. I did look at his left eye for any bruising, but since the incident occurred on 5/13/2024, there was no visible signs of bruising to his left eye.

On 6/25/2024, I telephoned former staff Isiah Moretti. He declined to answer any questions, only stating he had already been interviewed by Eisenhower Center personnel staff and his employment has been terminated.

On 6/25/2024, I telephoned Resident A's guardian. She stated she was notified by Eisenhower Center staff regarding the incident. She stated she is dissatisfied with his placement and has requested a different placement through his CMH case manager.

On 6/25/2024, I conducted an exit conference with Daniel Bogosian.

<b>APPLICABLE RULE</b>	
<b>R 400.15308</b>	<b>Resident behavior interventions prohibitions.</b>
	<b>(1) A licensee shall not mistreat a resident and shall not permit the administrator, direct care staff, employees, volunteers who are under the direction of the licensee, visitors, or other occupants of the home to mistreat a resident. Mistreatment includes any intentional action or omission which exposes a resident to a serious risk or physical or emotional harm or the deliberate infliction of pain by any means.</b>

<b>ANALYSIS:</b>	Resident A's eye injury is a direct result of former staff Isiah Moretti not following Resident A's behavior plan. Therefore, Resident A was mistreated by staff Isiah Moretti.
<b>CONCLUSION:</b>	<b>VIOLATION ESTABLISHED</b>

#### IV. RECOMMENDATION

Contingent upon the receipt of an acceptable plan of correction; I recommend no changes to the status of the license.
