RE: License #: AF630081134  
**Perrault AFC**  
**1551 S.Hickory Ridge**  
**Milford, MI 48380**

Dear Mrs. Perrault:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your facility on 09/28/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for an Adult Foster Care family home.

The violations that were found are:

<b>R 400.1404</b>	<b>Licensee, responsible person, and member of the household; qualifications.</b>
	(3) A licensee or responsible person shall possess all of the following qualifications: (b) Be suitable to meet the physical, emotional, social, and intellectual needs of each resident.

On 09/28/2023, I conducted the interim on-site inspection. During the inspection the fire drills were discussed. Resident A's and Resident B's bedroom is upstairs, and Mrs. Perrault's bedroom is on the main floor. I was informed by staff member Christina Johnson that she has been assisting licensee Linda Perrault with conducting the fire drills including the sleep drills. Mrs. Perrault is in a wheelchair and cannot sound the fire alarm system located in the basement nor can she go upstairs to wake Resident A and Resident B up during the sleep drills if needed.

Mrs. Johnson does not reside in the home; without the assistance of Ms. Johnson, Mrs. Perrault cannot conduct a fire drill, nor can she climb the stairs to assist Resident A and Resident B during an emergency. Therefore, there is concern if Mrs. Perrault is suitable to continue to meet the needs of Resident A and Resident B if there is an emergency while both residents are upstairs.

Due to the violations identified in the report, **a written corrective action plan** is required. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

A six-month provisional license issued on 04/26/2023 during the renewal inspection on 04/05/2023, will remain in effect until 10/25/2023. The Department provides technical assistance to meet the licensing requirements and consultation to improve services.
