III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility

This one floor building is a large vinyl and brick sided facility located in the City of Byron Center. The building has 20 resident rooms, each with an attached bathroom that contains a sink and a toilet. There is a small kitchen, dining room, and lounge area. The facility contains a main floor laundry room and enclosed furnace area. The facility contains a public bathroom with sink, toilet, and two showers. The facility is wheelchair accessible with 2 approved means of egress that exit level to the ground outside. The facility utilizes public water and sewer systems.

The gas furnace and hot water heater are located in a mechanical room with a 1-3/4-inch solid core door equipped with an automatic self-closing device and positive latching hardware. The facility is equipped with interconnected, hardwire smoke detection system, with battery backup, which was installed by a licensed electrician and is fully operational. The facility is equipped with an approved pull station alarm system and a sprinkler system installed throughout.

Resident bedrooms were measured during the on-site inspection and have the following dimensions:

Bedroom #	Room Dimensions	Total Square Footage	Total Resident Beds
1	15.08 x 11.08	183	2
2	15.08 x 11.08	183	2

The living, dining, and sitting room areas measure a total of 1320 square feet of living space. This exceeds the minimum of 35 square feet per occupant requirement.

Based on the above information, it is concluded that this facility can accommodate **twenty** residents. It is the licensee's responsibility not to exceed the facility's licensed capacity.

B. Program Description

Admission and discharge policies, program statement, refund policy, personnel policies, and standard procedures for the facility were reviewed and accepted as written. The applicant intends to provide 24-hour supervision, protection, and personal care to **twenty** male or female adults aged 50 and over, whose diagnosis are aged, mentally impaired, developmentally disabled, and/or physically handicapped in the least restrictive environment possible. The program will include social interaction skills, personal hygiene, personal adjustment skills, and public safety skills. A personal behavior support plan will be designed and implemented for each resident's social and behavioral developmental needs. If required, behavioral intervention and crisis intervention programs will be developed as identified in the assessment plan. These programs shall be implemented only by trained staff, and only with the prior approval of the resident, guardian, and the responsible agency.

The licensee will provide transportation for program and medical needs unless otherwise noted in the resident care agreement. The facility will make provision for a variety of leisure and recreational equipment. It is the intent of this facility to utilize local community resources including public schools and libraries, local museums, shopping centers, and local parks.

C. Violations Applicant and Administrator Qualifications

The applicant is Byron Center Care Operations, LLC, which is a “Domestic Limited Liability Company”, was established in Michigan, on 09/22/2023. The applicant submitted a financial statement and established an annual budget projecting expenses and income to demonstrate the financial capability to operate this adult foster care facility.

Lisa Sikes is the Licensee Designee and Bryan Cramer is the Administrator for this home. Medical and Record Clearance requests for Ms. Sikes and Mr. Cramer were completed with no restrictions noted on either. TB-tine results were negative.

Ms. Sikes and Mr. Cramer have provided documentation to satisfy the qualifications and training requirements identified in the administrative group home rules.

The staffing pattern for the original license of this 20-bed facility is 2-staff- to-20 residents during all shifts. The applicant has indicated that direct care staff will be awake during sleeping hours.

The applicant acknowledges an understanding of the training and qualification requirements for direct care staff prior to each person working in the facility in that capacity or being considered as part of the staff –to-resident ratio.

The applicant acknowledged an understanding of the responsibility to assess the good moral character of employees and contractors who have regular, ongoing, “direct access” to residents or the resident information or both. The licensing consultant provided technical assistance on the process for obtaining criminal record checks utilizing the Michigan Long Term Care Partnership website (www.miltcpartnership.org), Identogo, and the related documents required to be maintained in each employee’s record to demonstrate compliance.

The applicant acknowledges an understanding of the administrative rules regarding medication procedures and that only those direct care staff that have received medication training and have been determined competent by Ms. Sikes, can administer medication to residents. In addition, the applicant has indicated that resident medication will be stored in a locked medication cart and that daily medication logs will be maintained on each resident receiving medication.

The applicant acknowledges their responsibility to obtain all required documentation and signatures that are to be completed prior to each direct care staff or volunteer working with residents. In addition, the applicant acknowledges their responsibility to

maintain a current employee record on themselves and direct care staff or volunteers and the retention schedule for all of the documents contained within their and each employee's file.

The applicant acknowledges an understanding of the administrative rules regarding informing each resident of their resident rights and providing them with a copy of those rights. The applicant indicated that it is their intent to achieve and maintain compliance with these requirements.

The applicant acknowledges an understanding of the administrative rules regarding the written and verbal reporting of incidents and accidents and the responsibility to conduct an immediate investigation of the cause. The applicant has indicated their intention to achieve and maintain compliance with the reporting and investigation of each incident and accident involving a resident, employee, and/or visitor.

The applicant acknowledges an understanding of the administrative rules regarding the handling of resident funds and valuables and intends to comply.

The applicant acknowledges their responsibility to obtain all of the required forms and signatures that are to be completed prior to, or at the time of each resident's admission to the home as well as the required forms and signatures to be completed for each resident on an annual basis. In addition, the applicant acknowledges their responsibility to maintain a current resident record on file in the home for each resident and the retention schedule for all of the documents contained within each resident's file.

The applicant acknowledges their responsibility to provide a written discharge notice to the appropriate parties when a 30-day or less than 30-day discharge is requested.

D. Rule/Statutory

The applicant was in compliance with the licensing act and applicable administrative rules at the time of licensure.

IV. RECOMMENDATION

I recommend issuance of a temporary license to this AFC adult large group home (capacity 20).
