Carol DelRaso Senior Living Hathaway Hills, LLC 7927 Nemco Way, Ste 200 Brighton, MI 48116

RE: License #: AH590406531

Hathaway Hills Assisted Living & Memory Care

1515 Meijer Drive Greenville, MI 48838

Dear Carol DelRaso:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the home for the aged authorized representative and a date.

Upon receipt of an acceptable corrective action plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result. Please review the enclosed documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please feel free to contact the local office at (517) 284-9730.

Sincerely,

Kinveryttoox

Kimberly Horst, Licensing Staff Bureau of Community and Health Systems 611 W. Ottawa Street Lansing, MI 48909

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:		
R 325.1921	Governing bodies, administrators, and supervisors.	
	(1) The owner, operator, and governing body of a home shall do all of the following: (b) Assure that the home maintains an organized program to provide room and board, protection, supervision, assistance, and supervised personal care for its residents.	
For Reference: R 325.1901	Definitions.	
	(p) "Protection" means the continual responsibility of the home to take reasonable action to ensure the health, safety, and well-being of a resident as indicated in the resident's service plan, including protection from physical harm, humiliation, intimidation, and social, moral, financial, and personal exploitation while on the premises, while under the supervision of the home or an agent or employee of the home, or when the resident's service plan states that the resident needs continuous supervision.	
was prescribed Lo mouth every four lacked detailed inf	nt A's medication administration record (MAR) revealed Resident A brazepam Tab 0.5mg with instruction to administer one tablet by hours as needed for agitation. Review of Resident A's service plan formation on how the resident demonstrates agitation and what the administration of the medication or if staff can use all interventions.	
R 325.1922	Admission and retention of residents.	
	(7) An individual admitted to residence in the home shall have evidence of tuberculosis screening on record in the home that was performed within 12 months before admission. Initial screening may consist of an intradermal skin test, a blood test, a chest x-ray, or other methods recommended by the public health authority. The screening type and frequency of routine tuberculosis (TB) testing shall be determined by a risk assessment as described in the 2005 MMWR ?Guidelines for Preventing	

	the Transmission of Mycobacterium tuberculosis in Health-
	Care Settings, 2005? (http://www.cdc.gov/mmwr/pdf/rr/rr5417.pdf), Appendices
	B and C, and any subsequent guidelines as published by
	the centers for disease control and prevention. A home,
	and each location or venue of care, if a home provides care
	at multiple locations, shall complete a risk assessment
	annually. Homes that are low risk do not have to conduct
	annual TB testing for residents.
Review of facility do	cumentation revealed the facility did not complete the annual
tuberculosis (TB) ri	•
R 325.1954	Meal and food records.
	The home shall maintain a record of the meal census, to
	include residents, personnel, and visitors, and a record of
	the kind and amount of food used for the preceding 3-
	month period.
