ALLEGATION: Staff medication passing error.

INVESTIGATION: On 01/23/2025, I completed an unannounced onsite inspection. I interviewed home manager, Dewanda Bailey. Mrs. Bailey stated the allegations are correct. According to Mrs. Bailey, direct care worker, Nicko Jones was passing medication when she quickly turned her head and Resident A took medication prescribed for Resident B. Resident A was immediately taken to Garden City Hospital where she was observed for two hours and discharged.

On 01/30/2025, I completed a telephone interview with direct care worker, Nicko Jones. Ms. Jones stated she sat the table with snacks before she began the preparation to administer medication. According to Ms. Jones after she finished setting up snacks, she began calling residents one by one to give medication. She stated she called Resident B. However, Resident A saw the snacks and quickly barged into the area taking the medication and began opening the snacks. Ms. Jones stated everything happened so fast she didn't have an opportunity to stop Resident A. According to Ms. Jones this has never happened before. She stated she immediately called the home manager, Mrs. Bailey and had Resident A transported to Garden City Hospital.

On 01/30/2025, I completed a telephone interview with Guardian A. Guardian A stated she was immediately informed of Resident A taking another residents medication. She stated Resident A was taken to the hospital and no harm was caused. According to Guardian A, Resident A can be impulsive. However, the facility has always been good with keeping her safe. She stated this is the first time something like this has occurred.

On 02/11/2025, I completed a telephone exit conference with licensee designee, Stephanie Kinney. Mrs. Kinney stated she was made aware of the situation regarding the allegations. I informed her this complaint would be substantiated. She stated she understood, and she has acted against the staff that consisted of time off the schedule and additional training.

APPLICABLE RULE	
R 400.14312	Resident medications.
	(6) A licensee shall take reasonable precautions to ensure that prescription medication is not used by a person other than the resident for whom the medication was prescribed.

ANALYSIS:	<p>Based upon interviews conducted prescription medication was taken by a resident whom the medication as not prescribed for.</p> <p>Home manager, DeWanda Bailey staff, Nicko Jones, Guardian A and licensee designee, Stephanie Kinney each indicated Resident A took medication prescribed to Resident B. Resident A was immediately taken to Garden City Hospital where she was observed and discharged. No additional action was required.</p>
CONCLUSION:	VIOLATION ESTABLISHED

IV. RECOMMENDATION
