RE: License #: AS630394140

Absolute 4
5790 Farmington Rd
West Bloomfield, MI 48322

Dear Ms. Poberesky:

Attached is the Renewal Licensing Study Report for the facility referenced above. You have submitted an acceptable written corrective action plan addressing the violations cited in the report. To verify your implementation and compliance with this corrective action plan:

- You are to submit documentation of compliance.

The study has determined substantial compliance with applicable licensing statutes and administrative rules. Therefore, your license is renewed. It is valid only at your present address and is nontransferable.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (248) 975-5053.

Sincerely,

Sheena Worthy, Licensing Consultant

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

MCL 400.713 License required; application; forms; investigation; on-site evaluation; issuance or renewal of license; disclosures; maximum number of persons; stating type of specialized program; issuance of license to specific person at specific location; transferability of license; sale of facility; notice; items of noncompliance; refusal by department to issue or renew license; conditions; unlicensed facility; violation as misdemeanor; penalty; receipt of completed application; issuance of license within certain time period; inspections; report; criminal history and records check; storage of fingerprints in automated fingerprint identification system database; convictions; "completed application" defined.

(3) Before issuing or renewing a license, the department shall investigate the activities and standards of care of the applicant and shall make an on-site evaluation of the facility. On-site inspections conducted in response to the application may be conducted without prior notice to the applicant. On-site inspections conducted for renewing a license may be conducted within 12 months before the expiration date of the current license without impact on the license renewal date or the license fee. Subject to subsections (9), (10), and (11), the department shall issue or renew a license if satisfied as to all of the following:

(e) The good moral character of the licensee or licensee designee, owner, partner, director, and person responsible for the daily operation of the facility. The applicant is responsible for assessing the good moral character of the employees of the facility. The person responsible for the daily operation of the facility shall be not less than 18 years of age.

A workforce background clearance was not reviewed for staff member Ekaterina Ilyasov.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(10) At the time of the resident's admission to the home, a licensee shall require that the resident or the resident's designated representative provide a written health care appraisal that is completed within the 90-day period before the resident's admission to the home. A written health care appraisal shall be completed at least annually. If a written health care appraisal is not available at the time of an emergency admission, a licensee shall require that the appraisal be obtained not later than 30 days after admission. A department health care appraisal form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

Resident A was admitted on 12/12/23 however; his initial physical was not completed at the time of admission as it was completed on 12/14/23.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(4) At the time of admission, and at least annually, a written assessment plan shall be completed with the resident or the resident's designated representative, the responsible agency, if applicable, and the licensee. A licensee shall maintain a copy of the resident's written assessment plan on file in the home.

Resident A was admitted on 12/12/23 however; his initial assessment plan was completed after his admission date on 12/14/23.

R 400.14316 Resident records.

(1) A licensee shall complete, and maintain in the home, a separate record for each resident and shall provide record information as required by the department. A resident record shall include, at a minimum, all of the following information:

(viii) Funeral provisions and preferences.

Resident A's identification record did not include any burial provisions.

R 400.14318 Emergency preparedness; evacuation plan; emergency transportation.

(5) A licensee shall practice emergency and evacuation procedures during daytime, evening, and sleeping hours at least once per quarter. A record of the practices shall be maintained and be available for department review.

In 2024, a fire drill was not completed during sleeping hours during the third quarter.

R 400.14401 Environmental health.

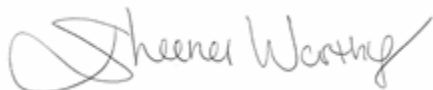

(2) Hot and cold running water that is under pressure shall be provided. A licensee shall maintain the hot water temperature for a resident's use at a range of 105 degrees Fahrenheit to 120 degrees Fahrenheit at the faucet.

The water temperature exceeded the limit of 120 degrees Fahrenheit as it was 123.4.

A corrective action plan was requested and approved on 02/05/2025. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

An acceptable corrective action plan has been received. Renewal of the license is recommended.
