Dear Mr Akise:

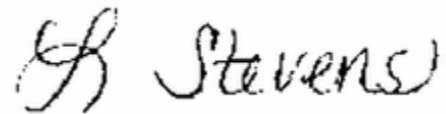

Attached is the Special Investigation Report for the above referenced facility. Due to the violations identified in the report, a written corrective action plan is required. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

If you desire technical assistance in addressing these issues, please feel free to contact me. In any event, the corrective action plan is due within 15 days. Failure to submit an acceptable corrective action plan will result in disciplinary action.

Please review the enclosed documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (313) 456-0380.

Sincerely,

A handwritten signature in black ink that reads "LaKeitha Stevens". The signature is written in a cursive, flowing style.

ALLEGATION: Resident was assaulted by another resident in the home. Resident received stitches on his forehead above his eyebrow and by his hairline.

INVESTIGATION: On 01/23/2025, I completed an unannounced onsite inspection. I interviewed licensee designee, Onome Akise and Resident B. According to Mr. Akise, Resident A no longer resides in his facility. Mr. Akise indicated he was not at the facility when the incident occurred. He stated staff, Rachel Jannow worked that shift. I interviewed Resident B. According to Resident B he was watching TV and asked Resident A not to turn the station. He stated Resident A turned the station and pushed him two times. He stated they started fighting and someone called the police.

On 01/30/2025, I completed a telephone interview with staff, Rachel Jannow. She stated Resident B had been controlling the television and she asked him to share it and allow Resident A to watch the news. She stated she then left the front room and went to the kitchen to wash her hands. While in the kitchen she stated Resident A and B started fighting. Ms. Jannow stated she asked them to stop fighting and for Resident B to “let him go” because he is significantly larger in size than Resident A. Ms. Jannow stated she’s unsure how they stopped fighting or who called the police. She indicated she believed another resident called the police.

On 01/30/2025, I completed a telephone conference with Office of Recipient Rights, Eryn Sherman and Case Manager, Kimberly Goodson. Ms. Goodson stated Resident B has a long history of aggressive behaviors. She further stated Resident A is very mild and passive. She indicated Resident B is approximately 6’2 and 300 pounds while Resident A is approximately 5’5 and 125 pounds. Ms. Goodson stated Resident A has a low cognitive status, and she has never had him initiate an altercation. She stated often he avoids altercations. According to Ms. Sherman and Ms. Goodson, another resident called the police. Ms. Goodson stated Resident A was transported to another placement after being discharged from the hospital. Ms. Goodson stated Resident A received stitches to his forehead and above his eye.

On 02/12/2025, I completed a telephone interview with Resident A. He stated he was watching TV and Resident B pushed him. He stated he’s not sure why he pushed him or started fighting him. According to Resident A, staff was there but did not break up the fight. He stated Resident C broke up the fight and called police.

On 02/12/2025, I completed a telephone interview with Resident C. Resident C stated he’s unsure who started the fight. He stated he heard the commotion and went to the living room. When he arrived, he stated Resident B was “slanging him into the wall like a rag doll.” He stated Resident A’s eye was swollen and he was

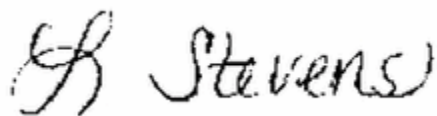

bleeding. According to Resident C, Resident A tried to fight back but, Resident B was bigger than him and he couldn't fight. Resident A stated he called the police. He indicated staff, Ms. Rachael said, "don't fight" and that was all she did. Resident C stated he was able to stop the fight and had Resident A go outside with him until the police arrived. He indicated the police arrived quickly.

On 02/13/2025, I completed a telephone interview with licensee designee, Onome Akise. I informed him this complaint is being substantiated because staff, Rachel Jannow did not appropriately handle this situation. I informed him Resident C stopped the fight and called the police. All actions that should have been completed or attempted by staff. Mr. Onome stated he's unsure why she didn't call the police. He stated he has previously advised staff to call the police during altercations especially if blood is visible.

APPLICABLE RULE	
R 400.14204	Direct care staff; qualifications and training.
	(2) Direct care staff shall possess all of the following qualifications: (b) Be capable of appropriately handling emergency situations.
ANALYSIS:	<p>Staff Rachel Jannow did not appropriately handle an emergency that involved a physical altercation in the facility.</p> <p>During my interview with Ms. Jannow, she stated she asked Resident B to stop hitting Resident A. She indicated she is unsure how the fight concluded or who called the police to intervene.</p> <p>Resident C indicated Resident B was "slanging him into the wall like a rag doll", him being Resident A. Resident C stated he intervened, stopped the fight, called the police and took Resident A outside until the police arrived. Resident C stated staff Rachel Jannow said, "do not fight" and did nothing else.</p>
CONCLUSION:	VIOLATION ESTABLISHED

IV. RECOMMENDATION

Contingent upon submission of an acceptable corrective action plan, I recommend the status of the license remain unchanged.
