III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14205 **Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.**

(5) A licensee shall obtain written evidence, which shall be available for department review, that each direct care staff, other employees, and members of the household have been tested for communicable tuberculosis and that if the disease is present, appropriate precautions shall be taken as required by state law. Current testing shall be obtained before an individual's employment, assumption of duties, or occupancy in the home. The results of subsequent testing shall be verified every 3 years thereafter or more frequently if necessary.

FINDINGS: No current TB test for employee Tracy Little and licensee designee.

R 400.14205 **Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.**

(6) A licensee shall annually review the health status of the administrator, direct care staff, other employees, and members of the household. Verification of annual reviews shall be maintained by the home and shall be available for department review.

FINDINGS: No current health status review for employee Tracy Little and licensee designee.

R 400.14301 **Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.**

(10) At the time of the resident's admission to the home, a licensee shall require that the resident or the resident's designated representative provide a written health care appraisal that is completed within the 90-day period before the resident's admission to the home. A written health care appraisal shall be completed at least annually. If a written health care appraisal is not available at the time of an emergency admission, a licensee shall require that the appraisal be obtained not later than 30 days

after admission. A department health care appraisal form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

FINDINGS: No current health care appraisal for Resident A and Resident B.

R 400.14312 Resident medications.

(1) Prescription medication, including dietary supplements, or individual special medical procedures shall be given, taken, or applied only as prescribed by a licensed physician or dentist. Prescription medication shall be kept in the original pharmacy-supplied container, which shall be labeled for the specified resident in accordance with the requirements of Act No. 368 of the Public Acts of 1978, as amended, being S333.1101 et seq. of the Michigan Compiled Laws, kept with the equipment to administer it in a locked cabinet or drawer, and refrigerated if required.

FINDINGS: Resident A does not have the following medications in the facility: Acetaminophen 325 mg, PEG 3350 Powder, Chlorhexidine Gluconate .12%,

R 400.14315 Handling of resident funds and valuables.

(3) A licensee shall have a resident's funds and valuables transaction form completed and on file for each resident. A department form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

FINDINGS: No current Funds II form for Resident A.

R 400.14401 Environmental health.

(4) All garbage and rubbish that contains food wastes shall be kept in leakproof, nonabsorbent containers. The containers shall be kept covered with tight-fitting lids and shall be removed from the home daily and from the premises at least weekly.

FINDINGS: Garbage can located in kitchen does not have a lid.

R 400.14402 Food service.

(3) All perishable food shall be stored at temperatures that will protect against spoilage. All potentially hazardous food shall be kept at safe temperatures. This means that all cold foods are to be kept cold, 40 degrees Fahrenheit or below, and that all hot foods are to be kept hot, 140 degrees Fahrenheit or above, except during periods that are necessary for preparation and service. Refrigerators and freezers shall be equipped with approved thermometers.

FINDINGS: No thermometers in refrigerator and freezers.

R 400.14403 Maintenance of premises.

(2) Home furnishings and housekeeping standards shall present a comfortable, clean, and orderly appearance.

FINDINGS: Hallway door needs to be cleaned/or repainted. Living room needs to be neatly arranged.

R 400.14507 Means of egress generally.

(5) A door that forms a part of a required means of egress shall be not less than 30 inches wide and shall be equipped with positive-latching, non-locking-against-egress hardware.

FINDINGS: Front entrance screen door is not equipped with positive-latching, non-locking-against-egress hardware.

A corrective action plan was requested and approved on 02/28/2025. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

An acceptable corrective action plan has been received. Renewal of the license is recommended.
