Reeck Home is located in the downriver community of Southgate in the county of Wayne. The home is a dark brown brick and tan aluminum sided ranch style home. The home has an attached two-car garage with a cemented driveway that provides for ample parking. The home consists of three bedrooms and two full bathrooms. The home also has a spacious living, dining and activity room that measure a total of 668 square feet of space; this exceeds the minimum of 35 square feet per resident requirement.

The home is licensed for residents who require the regular use of wheelchairs.

The furnace and hot water heater are located in a room that is constructed of material that has a 1-hour-fire-resistance rating. The door is a 1-3/4-inch solid core and is equipped with an automatic self-closing device and positive latching hardware. The facility is equipped with interconnected, hardwire smoke detection system, with battery backup, which was installed by a licensed electrician and is fully operational. The smoke alarm/detection system was inspected on 05/13/24. The furnace and hot water heater was both inspected on 03/19/25 and all found to be in good working condition.

Resident bedrooms were measured during the on-site inspection and have the following dimensions:

Bedroom #	Room Dimensions	Total Square Footage	Total Resident Beds
1	16'8" x 11'4"	189 sq. ft.	2
2	11'1" x 17'0"	188 sq. ft.	2
3	16'11" x 11'1"	187 sq. ft.	2
